DICK LONDON... Unrolls Red Carpet

Von's Launching 'Red Carpet' Plan Monday

A special incentive participation program which will encourage "push rug" treatment of all Von's customers will be launched at the new Torrance Von's store at Calle Mayor and Pacific Coast Hwy. next Monday, Manager Dick London has announced.

Theme of the program will be "Service With a Smile," London said. The theme means a guaranteed welcome and a pleasant shopping atmosphere at your nearby Von's, the manager said.

Von's consider their store personnel "first and last" in customer service, he explained. Each new employee receives training in courtly and frequent refresher techniques on "rolling out the Red Carpet" for customers.

The special program will be an on-the-spot demonstration of those techniques which add to outstanding shopping pleasantness, it was indicated. While maintaining a friendly, courteous atmosphere at Von's is a continuing program, this one-year "Red Carpet" event is designed to make the public aware of the policy.
